

TECHNICAL SPECIFICATION

CONTOURS OF CAIRNGORM

REQUIREMENTS:

We will require the sound engineer of the venue, unless previously arranged.

A grand piano with stool will be provided (min. 5ft 10). This will be tuned no more than 48 hours previous to concert by a reputable piano tuner.

Pearl Masters Series drums or equivalent are required (min of 3 cym stands). Cymbals and kick pedal are not required. If no drum kit is available this will be arranged in advance.

Two dressing rooms will be provided.

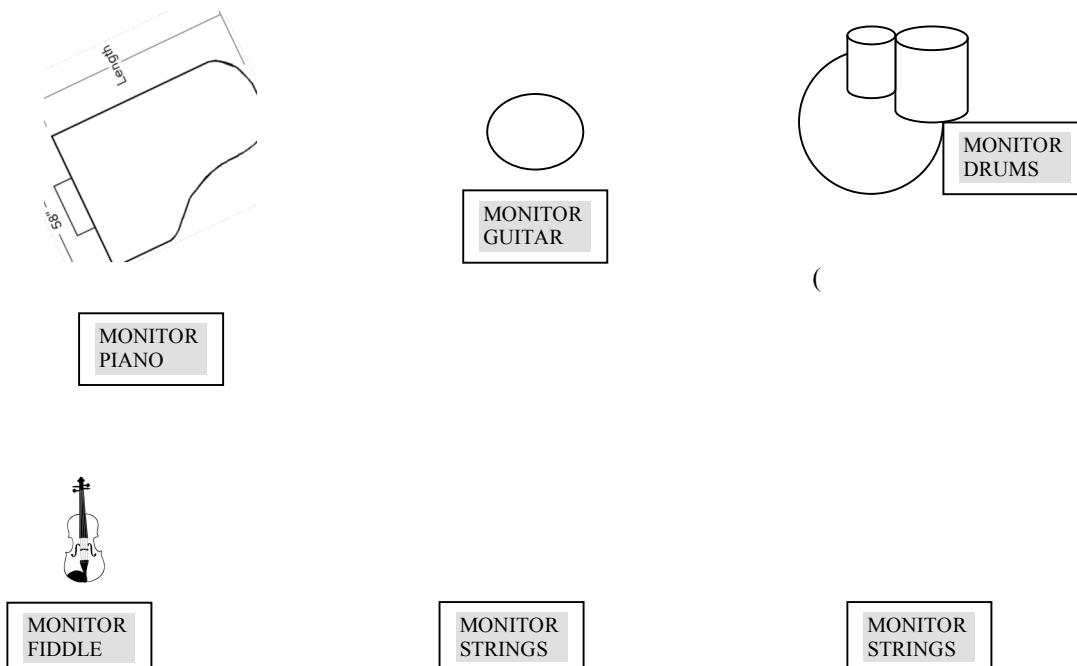

Bottled water will be provided for workshop, sound-check and performance.

TECH MIX

(1) GRAND PIANO + ADJUSTABLE PIANO STOOL	2 mics (C414, DPA or similar) vocal mic (SM58 or similar) no mic stand for vocal mic
